The Vital Savings by Aetna[®] program (the “Program”) is not insurance. The program does not meet the Minimum Creditable Coverage requirements in Massachusetts. It provides Members with access to discounts at certain health care providers for medical and dental services. These discounts are discounted fees according to schedules negotiated by Aetna Life Insurance Company for the Vital Savings by Aetna discount program. The range of discounts provided under the Program will vary depending on the type of provider and type of service received. The Program does not make payments directly to the participating providers of medical and dental services. Each Member is obligated to pay for all services or products but will receive a discount from those health care providers who have contracted with the Discount Medical Plan Organization to participate in the Program. Aetna Life Insurance Company, 151 Farmington Avenue, Hartford, CT 06156, **1-888-238-4825**, is the Discount Medical Plan Organization. www.vitalsavingsbyaetna.com
