INTRODUCTION

The Plan gives you the opportunity to purchase accidental death and dismemberment (AD&D) insurance that provides 24-hour accident protection for you and your eligible Dependents. The AD&D Plan covers loss of life, limb(s) or loss of use of limb(s), sight, speech, or hearing resulting from an accident, anywhere in the world.

Participation in this Plan is voluntary. You pay the entire cost for your elected AD&D coverage by enrolling in the Plan and authorizing payroll deductions for your elected coverage amounts.

The accidental death and dismemberment insurance described in this booklet is offered to Occidental Petroleum Corporation and/or affiliated company employees, as defined in the Eligibility and Enrollment section. This information serves as your Summary Plan Description (SPD) and is based on official Plan documents. You should keep and refer to it when you have questions about your accidental death and dismemberment insurance benefits. In the event that there is a discrepancy between the SPD and the Plan documents, the Plan documents will control.

Capitalized words or phrases used in this SPD are defined in the Glossary at the end of this booklet.

Refer to subsequent issues of Benefits News for any material changes to the Plan made after the date of this document.
ELIGIBILITY AND ENROLLMENT

Eligibility

You are eligible to participate in the AD&D Plan if you are a regular, full-time, nonbargaining hourly or salaried employee of Occidental Petroleum Corporation or an affiliated company (Oxy). For this purpose, “affiliated company” means any company in which 80 percent or more of the equity interest is owned by Occidental Petroleum Corporation. Temporary employees and employees of Tidelands Oil Production Company are not eligible to participate. You are considered a full-time employee under the Plan if you regularly are scheduled to work at least 30 hours per week. Generally, you are eligible to participate if you are paid on a U.S. dollar payroll, are designated as eligible to participate by your employer, and do not participate in a similar type of employer-sponsored plan. If you are part of a collective bargaining group, you are eligible to participate in the AD&D Plan only if your negotiated bargaining agreement specifically provides for your participation.

Enrollment

If you enroll in the AD&D Plan within 31 days of your first day as an eligible employee, coverage for you and your enrolled spouse will begin on the first day you become eligible,* if you complete a full day of work on that date. If you are enrolled, you may add a new spouse or Dependent child within 31 days of the date he or she becomes eligible under the AD&D Plan. You may reduce your coverage or stop your participation at any time.

If you do not enroll, or if you do not enroll a newly eligible Dependent, within 31 days of eligibility, you will be eligible to enroll or increase your level of coverage or add Dependent coverage during the following Open Enrollment period.

You only may elect AD&D Plan coverage for your spouse if you are enrolled for coverage under the AD&D Plan.

If you and your spouse are both employees of Oxy, you may not be covered as both an employee and a spouse under this AD&D Plan and only one of you may cover your Dependent children.

* Provided that you and/or your Dependent(s) have not sustained any accidental bodily injuries covered under the Plan during the period from your eligibility date to the date you enroll. If you do not meet this requirement, your effective date of coverage will be the date you return to active work.
DESIGNATING A BENEFICIARY

If you accidentally die while covered under this AD&D Plan, benefits will be payable to your designated beneficiary(ies). You may name anyone as your designated beneficiary, and you may change your beneficiary designation at any time by completing the proper form. Beneficiary forms are available online at oxylink.oxy.com or by calling the OxyLink® Employee Service Center at 800-699-6903.

You should keep your beneficiary designation current so that if your circumstances change (for example: death, marriage, divorce or birth of a child), you will have a current beneficiary designation on file.

Under the Plan, you may designate two types of beneficiaries:

- Primary beneficiary: An individual or trust you name to receive your AD&D benefit in the event of your death.
- Contingent beneficiary: An individual or trust you name to receive your AD&D benefit in the event of your death if all of your designated primary beneficiaries die before you.

If any of your designated beneficiaries die before you and you do not change your designation, the percentage a deceased primary beneficiary would have received will be divided equally among your surviving primary beneficiaries in the event of your death. If all of your designated primary beneficiaries die before you and you do not change your designation, your AD&D benefit will be paid to your designated contingent beneficiaries in the event of your death. In this case, if any of your designated contingent beneficiaries die before you and you do not change your designation, the percentage a deceased contingent beneficiary would have received will be divided equally among your surviving contingent beneficiaries.

If you do not designate a beneficiary or all of your designated primary and contingent beneficiaries die before you, payment will be made in the following order in the event of your death:

- Surviving widow or widower
- Surviving children (equally)
- Surviving parents (equally)
- Surviving brothers and sisters (equally)
- Your estate

You are the beneficiary in the event of the accidental death or accidental dismemberment or Loss of Use of a covered Dependent.
COVERAGE OPTIONS AVAILABLE

You may select a coverage amount from one (1) to ten (10) times your Base Annual Earnings, subject to a minimum of $10,000 and a maximum of $1,000,000, rounded to the next higher even multiple of $10,000, if not already an even multiple of $10,000.

If you enroll, you may select spousal coverage in an amount equal to 50% or 100% of the coverage amount you selected for yourself.

Upon your enrollment, each of your Dependent children automatically is covered for $10,000.

Cost of Coverage

Monthly premiums for you and your spouse are based on the coverage amount you select. Current AD&D rates are available online at oxylink.oxy.com. Upon your enrollment, each of your Dependent children automatically is covered at no additional cost. The per-pay-period portion of the monthly premium amount will be deducted from each paycheck on an after-tax basis.
WHAT THE PLAN COVERS

Amount of Plan Benefits

In the event of your accidental death, the Plan may pay 100 percent of your coverage amount to your designated beneficiary(ies) in a single sum. In the event of your covered Dependent spouse’s accidental death, the Plan may pay 100 percent of the coverage amount you have elected for your spouse to you in a single sum. In the event of the accidental death of one of your covered Dependent children, the Plan may pay you the coverage amount of $10,000 in a single sum.

You or your Dependent must be covered under the Plan on the date of the accident, and generally the Loss must occur within 365 days after the date of the accident. In the event that you or your covered Dependent(s) incur a Loss of limb or Loss of Use, the benefits will be paid to you in a single sum according to the following schedule:

CLAIMS AND BENEFIT PAYMENT

Written **notice of a claim** must be given to the insurance company within 20 days after the Loss, or as soon as possible. The insurance company will provide claim forms for the filing of proofs of Loss.

Written **proof of Loss** must be provided to the insurance company within 90 days after the date of Loss or as soon as possible. If the insurance company approves the claim, AD&D Plan benefits will generally be paid in a single-sum payment. All benefits will be paid to you, if living, otherwise to your beneficiary(ies). If AD&D Plan benefits are denied, a written explanation will be provided to you or, in the event of your death, to your beneficiary by the insurance company. AD&D Plan benefits are paid at the sole discretion of the insurance company.

Except in the absence of legal capacity, in no event will a Loss be considered if due written proof for that Loss is furnished more than 2 years after the date the Loss was incurred.

**Denial of Claim and Benefits Appeal Process**

The AD&D Plan is covered under Title I of the Employee Retirement Income Security Act of 1974 (ERISA). In accordance with sections 402 and 503 of Title I of ERISA, the Plan sponsor has designated a Named Fiduciary under the Plan, who has complete authority to review all denied claims for benefits under the Plan. The Plan Administrator has discretionary authority to determine who is eligible for coverage under the Plan and the Claims Administrator has discretionary authority to determine eligibility for benefits under the Plan. In exercising its fiduciary responsibilities, the Named Fiduciary shall have discretionary authority to determine whether and to what extent covered Plan participants and beneficiaries are eligible for benefits, and to construe disputed or doubtful Plan terms. The Named Fiduciary is deemed to have properly exercised such authority unless it has abused its discretion hereunder by acting arbitrarily and capriciously.

If you or your designated beneficiary(ies) makes a claim for AD&D Plan benefits and that claim is denied, you or your beneficiary will receive notification of the denial within 90 days, including the reason(s) for the denial. This time period may be extended up to an additional 90 days due to special circumstances. In that case you or your designated beneficiary will be notified of the extension before the end of the initial 90-day period. Notice of the extension will explain the special circumstances requiring the extension and the date by which a decision is expected.

After receiving a written denial of the claim, you or your beneficiary will have 60 days to request a review of the reason for the denial. The request must be submitted in writing and include the reasons for requesting the review. Submit the request, along with any additional information or comments relevant to the claim, to the claim office that advised you of the denial. As a part of the review procedure, you or your beneficiary may examine any documents pertinent to the claim. The Claims Administrator has full and exclusive responsibility for reviewing denied claims on appeal.
Within 60 days after the request for review of the claim has been received, you or your designated beneficiary(ies) will be notified in writing of the final decision regarding the claim and the reason for the decision. You or your beneficiary usually will receive an indication of whether the claim will be paid within 60 days after the date of the appeal unless there are special circumstances, in which case you will be notified within 120 days.

No legal action may be commenced prior to the completion of the benefits claims procedure described in this Summary Plan Description (SPD).

No action may be brought to recover under the insurance contract until 60 days after proof of Loss has been given. No action can be brought after 3 years from the date due written proof of Loss was required to be furnished.
WHEN COVERAGE ENDS

When Employee Coverage Ends

Your coverage will end on the earlier of the date:

- The Plan ends;
- Ending the period for which your last contribution is made; or
- You are no longer eligible.

Termination or Retirement

If you terminate employment for any reason, including retirement or layoff because of a reduction in work force, your AD&D coverage will cease; however, you may be eligible to convert your coverage as described in the section below entitled Conversion Options.

Death

If you die in active employment and are covered under the AD&D Plan, coverage for your covered Dependent(s) may be continued for up to 12 months from the date of your death unless he or she experiences a loss of eligibility status (e.g., the remarriage of the spouse, the date the Dependent child ceases to be eligible as a Dependent, or the date the Policy ceases).

When Dependent Coverage Ends

Coverage for your dependents ends when your coverage ends or when they are no longer eligible, whichever occurs first; however, conversion of coverage may be available as described in Conversion Options below.

Conversion Options

If your coverage ceases due to termination of employment or eligibility status, you may apply for coverage under an individual AD&D policy underwritten by Gerber Life Insurance Company. Your covered spouse and any covered Dependent children may also apply for a conversion policy when they are no longer an eligible Dependent. The amount of available conversion coverage and the amount of your premiums are determined by Gerber.

Application and payment for the first premium for the individual policy must be made within 31 days after the date your AD&D coverage ends. Call OxyLink at 800-699-6903 to obtain the necessary application forms. You are responsible for premium payments if you convert to an individual policy.
CONTINUATION OF COVERAGE

During Illness or Injury

If you are absent from work because of illness or injury, AD&D Plan coverage will continue while you are eligible to receive benefits under Oxy’s Short-Term Disability Plan (or, as applicable, a sickness and accident plan), provided that you continue your premium payments. If you discontinue your coverage during your period of absence and you return to active Oxy employment, you will be eligible to reenroll during the next Open Enrollment period.

During a Leave of Absence

If you take an approved leave of absence, your AD&D Plan coverage will continue for the first six months of the approved leave of absence, provided you continue to make your premium payments.

If you discontinue your coverage during your leave of absence and then return to active Oxy employment, you will be eligible to reenroll during the next Open Enrollment period. If you are on an approved leave of absence under the Family and Medical Leave Act of 1993, or any applicable state law, and you elect to discontinue your coverage during your leave of absence, you will be eligible to reenroll upon the earlier of your return to active Oxy employment or during the next Open Enrollment period.
GENERAL INFORMATION

Your Rights as a Plan Participant

As a participant in this Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as follows:

**Receive Information About Your Plan and Benefits**

- Examine, without charge, at the Plan Administrator’s office and at other specified locations, all documents governing the Plan, including insurance contracts and a copy of the latest annual report (Form 5500 Series) that is filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the Plan Administrator, copies of all documents governing the operation of the Plan, including insurance contracts and the latest annual report (Form 5500 Series), and an updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.
- Receive a summary of the Plan’s annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

**Prudent Action by Plan Fiduciaries**

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called “fiduciaries” of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

**Enforce Your Rights**

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain documents relating to the decision without charge and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request materials from the Plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay up to $110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or Federal court.
If it should happen that Plan fiduciaries misuse the Plan’s money or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

**Help With Your Questions**

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance with obtaining documents from the Plan Administrator, you should contact:

- The nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory; or
- Division of Technical Assistance and Inquiries
  Employee Benefits Security Administration
  U.S. Department of Labor
  200 Constitution Avenue, N.W.
  Washington, D.C.  20210

You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

**Plan Documents**

This benefit plan description summarizes the main features of the Plan, and is not intended to amend, modify, or expand the Plan provisions. In all cases, the provisions of the Plan document and any applicable contracts control the administration and operation of the Plan. If a conflict exists between a statement in this summary and the provisions of the Plan document or any applicable contracts, the Plan document will govern.
Discretionary Authority of Plan Administrator and Claims Administrator

In accordance with sections 402 and 503 of Title I of ERISA, the Plan sponsor has designated a Named Fiduciary under the Plan, who has complete authority to review all denied claims for benefits under the Plan. The Plan Administrator has discretionary authority to determine who is eligible for coverage under the Plan and the Claims Administrator has discretionary authority to determine eligibility for benefits under the Plan. In exercising its fiduciary responsibilities, the Named Fiduciary shall have discretionary authority to determine whether and to what extent covered Plan participants are eligible for benefits, and to construe disputed or doubtful Plan terms. The Named Fiduciary shall be deemed to have properly exercised such authority unless it has abused its discretion hereunder by acting arbitrarily and capriciously.

No Guarantee of Employment

By adopting and maintaining the Occidental Petroleum Corporation Welfare Plan for certain eligible employees, Oxy has not entered into an employment contract with any employee. Nothing contained in the Plan documents or in this summary gives any employee the right to be employed by Oxy or to interfere with Oxy’s right to discharge any employee at any time. Similarly, this Plan does not give Oxy the right to require any employee to remain employed by Oxy or to interfere with the employee’s right to terminate employment with Oxy at any time.

Future of the Plan and Plan Amendment

Oxy expects and intends to continue this Plan but does not guarantee any specific level of benefits or the continuation of any benefits during any periods of active employment, inactive employment, disability or retirement. Benefits are provided solely at Oxy’s discretion.
