

Hearing aid benefit changes 2026

Aetna® has teamed up with NationsHearing® to bring you a comprehensive hearing aid and services benefit. NationsHearing offers quality, cost-effective care and the most advanced hearing aids.

What's changing?

- ✓ For 2026 your hearing benefit is offered through an exclusive arrangement with NationsHearing. In order for your hearing aids to be covered, you must order your hearing aids through NationsHearing. They have relationships with all leading hearing aid manufacturers, and offer the latest and most advanced hearing aids for more than 1,200 makes and models. Understanding your options when choosing a hearing aid will help you make the right decision for your hearing health.
- ✓ Your benefit for 2025 was **\$2,500** every 36 months. For 2026 your benefit is \$1,250 per ear every 36 months for combined total of **\$2,500** every 36 months.
- ✓ You will continue to receive a hearing exam at no cost to you. NationsHearing offers two convenient ways to get an annual routine hearing exam. Either a traditional exam at an office through a nationwide network of providers or a convenient online digital exam.
- ✓ You can use an out-of-network provider for your exam. However, if you wish to purchase hearing aids from an out of network hearing provider, the order must be placed through NationsHearing.
- ✓ Providers can call NationsHearing at **877-226-8992** to submit an order.
